SAVENIA DONATES APPLIANCES TO HOMELESS FAMILIES IN TRANSITION

PROVIDING A NEW START FOR 50 MONTGOMERY COUNTY, MARYLAND FAMILIES

(Bethesda, MD Issued May 6, 2015) – Today [Savenia Labs](#) announced today it will donate a large selection of appliances to [Stepping Stones Shelter](#), a Montgomery County Maryland non-profit that provides temporary housing to homeless families in transition to more stable living arrangements.

Savenia will donate microwave ovens, coffeemakers, teakettles, toasters and toaster ovens to help up to 50 families move out of the shelter and into their new housing with the appliances they need. Appliances were lightly used during Savenia energy efficiency laboratory testing.

“Every year, Stepping Stones serves as a refuge for families who have nowhere else to call home, and as a lifeline for families in the community who are at-risk for returning to homelessness” said Denise Fredericks, Executive Director of Stepping Stones Shelter. “With the generous support of companies like Savenia, we are able to provide temporary shelter and critically needed services to help families move from the crisis of homelessness to more stable housing. Once families are stably housed, they can take the next step with confidence.”

“We are delighted to see these appliances make a difference in the homes of local families making a fresh start,” said John Jabara, Founder of Savenia Labs.

About Stepping Stones Shelter

Stepping Stones Shelter provides a continuum of services (emergency shelter, permanent supportive housing, and post-shelter services) to homeless families with children in order to move them from crisis to a stable home environment. By offering food, shelter and supportive services in an atmosphere of dignity and respect, Stepping Stones provides hope for the future, strengthens families, and promotes self-sufficiency. <http://www.steppingstonesshelter.org>, [Facebook](#) and [Twitter](#) For more information contact Denise Fredericks at denise@steppingstonesshelter.org.

About Savenia
