## **SAVENIA EXPANDS FOOTPRINT IN CALIFORNIA**

### **NEW OFFICE AND ACTIVITIES IN THE NATION'S LEADING SOLAR STATE**

(Bethesda, MD Issued July 8, 2015) - [Savenia Labs](#), an award winning provider of energy and environmental impact ratings today announced that it is expanding its presence in California, the nation's leading state for solar photovoltaic penetration, with a new office and support activities.

#### **New Savenia California Office Announced**

Savenia is opening a new office at [SfunCube](#) in the Bay Area, the world's only incubator / accelerator dedicated to solar innovation. Just minutes from San Francisco, this new west coast office puts Savenia closer to leading solar companies, suppliers and homeowners. The company will maintain HQ operations in Bethesda, MD.

#### **Savenia Joins CALSEIA**

Savenia has joined the [California Solar Energy Industries Association \(CALSEIA\)](#), the nation's oldest state-based solar energy association. The company intends to work with CALSEIA's diverse membership to further the collective mission of accelerating solar development.

#### **Savenia Founder to Present at The Growth Company Forum - July 15**

Savenia's John Jabara will be a featured speaker at [The Growth Company Forum: Next High-Flyers & Industry Movers in the PV Space](#) on July 15 at the InterContinental Hotel in San Francisco during InterSolar 2015. John will speak about the need for independent, 3rd party solar ratings to better communicate solar system value to prospective buyers.

#### **Savenia to Exhibit at InterSolar**

Savenia's new exhibition booth will be on display at [InterSolar](#), North America's largest solar conference during July 13th-15th at the Moscone Center, San Francisco. With almost 30,000 visitors expected, this represents a great opportunity to showcase Savenia's award winning ratings platform. Please visit Savenia at booth 8827 in the West Hall!

John Jabara, Founder of Savenia, stated: "Expanding our footprint to California is an important milestone in the expansion of Savenia Solar Ratings. We look forward to working with our partners to help spur solar penetration across the United States".
