## **SAVENIA & UNIVERSITIES AT SHADY GROVE TO PRESENT AT SMART & SUSTAINABLE CAMPUSES CONFERENCE 2014**

### **HIGHLIGHT NEW SAVENIA CAMPUS-WIDE ENERGY SAVINGS PROGRAM**

(Bethesda, MD Issued Jan 5, 2014) - Savenia Labs and the Universities at Shady Grove (USG) will team up to share the secret to campus energy savings at the Smart & Sustainable Campuses Conference 2014.

Presenting at the Hyatt Regency Baltimore Inner Harbor, Pratt / Calvert Room on March 3rd, Savenia and USG will explain how to go beyond Energy Star to realize significant savings by procuring energy efficient products. This is a must-see presentation for any Campus Sustainability, Facilities or Procurement leader.

John Jabara, Founder of Savenia Labs and Jessica Nardi, Director of Administration at Universities at Shady Grove will encourage attendees to seek ambitious, yet achievable savings in their presentation, titled "Energy Star is so 1990s: Re-thinking Energy on Campus". In an era when almost every new refrigerator meets Energy Star's specification, leading professionals are looking for new ways to reduce their energy use, utility bills, and environmental impact. Please visit the SMART & SUSTAINABLE CAMPUSES CONFERENCE 2014 site for full details.

The Universities at Shady Grove was the first university campus to use Savenia's proprietary energy and environmental impact ratings to support procurement, sustainability and communication efforts to save energy and money on appliances and electrical items.

Savenia Labs Energy Ratings are available to retailers, enterprise procurement and sustainability professionals worldwide.

### **About Savenia Labs**

Savenia Labs is an independent testing laboratory that provides energy and environmental impact ratings on popular appliances, electrical products and homes. Savenia produces information labels and ratings so individuals and businesses can choose energy saving and environmentally friendly alternatives while shopping.
